

SKYVUE NXG
877.475.9883 >>>DS700

Among SkyVue Outdoor TVs new lineup of Smart TVs is the NXG-5570-DS. This 55" class model provides customers with tremendous value when compared to other mid-sized screen televisions. SkyVue's sun-light readable full HD 1080p LED technology delivers the most natural and vibrant picture quality available. Protected in an all aluminum powder coated housing, SkyVue's NXG-700-DS series outdoor TVs come fully equipped with an integrated Wi-Fi system and a easy to navigate graphical interface that provides our users quick access to today's most popular premier apps, such as NETFLIX. The new NexGen 700 nit Series is the preferred choice when the location of your television is in the direct sun light.
